Dear Leslie:

Hello from the "Land of Frost and Fire"! Here in Iceland we plan to kick off National Coin Week a little early due to uncontrollable circumstances. Our club plans to begin this year's festivities with a bourse comprising of general displays, sales tables, a raffle and finishing with an auction. This will take place on the 26th of March in the USO on base. We will publicize National Coin Week widely here on base in Keflavik before, during and after the show. We must have the show early as the USO will be closing around April 1st for rehabilitation. However, this does not dampen our spirits and you can rest assured that Numismatics is alive and well in Iceland.

We are already advertising this gala affair and have received very favorable responses from all three of the major dealers in Reykjavik, the capitol of Iceland. So, you might say our bourse will be rather international. During this time we will also make available club members for appraising collectables of persons who are less knowledgeable in the field of numismatics. We shall encourage these persons to research their possessions in hopes that they shall soon find themselves "hooked" on coins.

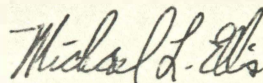

Unfortunately, I will be leaving Iceland on the 20th of April, but you will receive a full final report from me as the bulk of our festivities will be finished by then. I shall mail the report on my departure date. I will also enclose photographs and text for consideration of publication in The Numismatist magazine. If someone other than yourself should receive this information, let me know. At that time I will also submit to you a new contact person from our club.

I have been in Iceland over a year now and through this club I have just recently rediscovered my numismatic desires. Now I dream about three-legged Buffalos, 55 double died cents, 82 roosevelt dimes with no "P", etc. I will be going to California from here and plan to be very active in the Numismatic field, so you WILL hear from me again.

One last thing before I close, please forward me complete information on the ANA club and individual awards programs. Once again, if you do not handle this, let me know who can help me.

I am looking forward to hearing from you soon.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael L. Ellis". The signature is fluid and cursive, with the first name "Michael" being more prominent.
